Wow we just finished week 9 of the 31 EFF sessions for Grades K-6. For 7th grade they have completed 6 of their 17 sessions. We are almost 1/3 complete!

Have you checked out your child’s books? Asked what they are learning each week? For 5-7th graders have you looked at the bible with your child? For 7th grade parents have you watch any of the Chosen videos you child watches in class? Have you checked on and completed “Catch Up” work if your child has missed a class? Does your child know their EFF teacher’s name?

Please be engaged in your child’s EFF lessons. Children are only at EFF for 75 minutes a week. Your reinforcement of lessons and faith at home is critical. Thank you for working together with us!

VOLUNTEER FOR EFF: We are in need of adult Catechist Assistants on Tuesday or Wednesday afternoon, 4:45 – 6:00 session. Can you join the team? You don’t have to make it every week. We need a few more helping hands.

SAFE ENVIRONMENT LESSON – The week of November 18th our teachers will include a Safe Environment reminder lesson at the start of the class. The lesson will be no more than 20 minutes. If you would like to opt your child out of this lesson, for 20 minutes, please complete the attached form. Students that opt out will stay in the office until the lesson is complete.
